February 10th, 2022

Dear All,

We are pleased to announce that the 1st OSH Avenue International Conference 2022 (OAIC 2022) will be held from 10th – 12th June 2022 in Bangkok, Thailand. During the pandemic of COVID-19, OAIC 2022 will be held in the format of hybrid events organized by Thailand Institute of Occupational Safety and Health (Public Organization).

The OAIC is recognized as the forum and hub of occupational safety, health, working environment, technology and innovation knowledge sharing across multiple disciplines for better safe working. With the theme "Foresight for Safe", OAIC 2022 will be new digital experiences in terms of specific content and interaction with networking and engagement opportunities. The conference will be run on hybrid events which based on digital platform. The platform will accommodate all sessions of presentation, live streaming of keynote speaker, digital poster presentation, video presentation and article that published on this platform with no boundaries of formats. Participants will have 24/7 on-demand access to all sessions and contents through this digital platform. The special keynote speakers will share their extensive knowledge and experiences through the social determinants of occupational safety health and working environments. Semi-Plenary sessions provided the opportunity of a live discussion at the end of each session, Oral presentation and Interactive Poster presentation will be available on-demand at any time during the digital platform.

We honor to invite you to participate in this conference, submitting an abstract for an oral or poster presentation or video or published on the platform since February 15th, 2022. Registration will open soon for free. Please monitor the website www.tosh.or.th for further updates and information. We look forward to your participation in the digital experience of OAIC 2022.

Sincerely yours,

A handwritten signature in blue ink, appearing to be 'Mr. Varanon Peetiwan', written in a cursive style.
